INFORMATION DISCLOSURE STATEMENT

Dear Sir:

Applicant submits herewith, at the time of filing of the patent application, patents, publications or other information of which he is aware, which he believes may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR §1.56.

While this Information Disclosure Statement may be "material" pursuant to 37 CFR §1.56, it is not intended to constitute an admission that any patent, publication or other information referred to herein is "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR §1.97(b), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR §1.56(a) exists.

1. Scarne's New Complete Guide to Gambling, pp. 205-223, copyright 1974 describes bingo including its derivation and origins. Note page 213 which describes the use of an additional colored, but unnumbered bingo ball that acts as a "wild" ball during the play of the game.

The person making this statement is the attorney who signs below on the basis of the information supplied by the inventor and the information in the attorney's file.
